## Steps In the job

When a step is completed (like this **Enroute** step) its background color turns **Grey** and you see a checkmark.

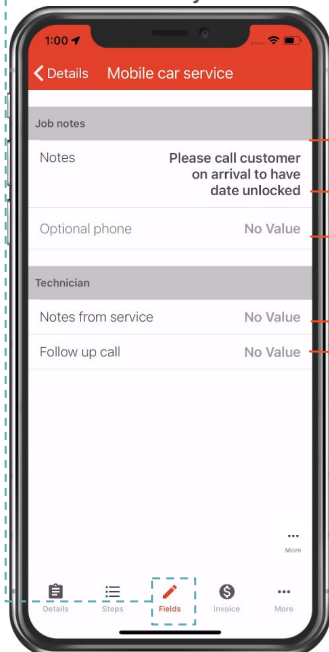

The step you are working on is colored **Teal**. Tap it once to complete the step.

You can tap the Map icon to see the location of the step on the map and get directions.

Steps that are still to be completed have a **White** background.

**TIP:** If you complete a step by mistake you can tap the step and an option shows to enable you to make it incomplete again.

## Fields In the job

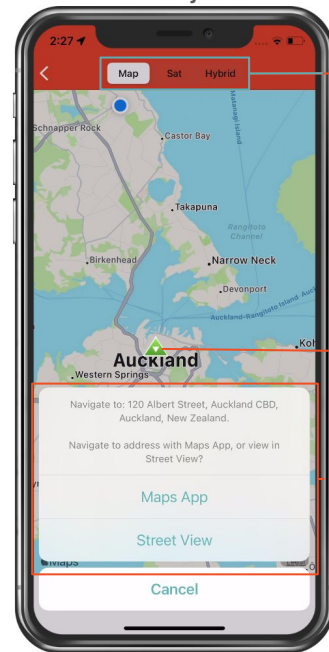

Fields provide the details for the job. They are sometimes grouped in sections (as they are here). Sections have **Grey** section titles with the fields shown in **White** beneath these. Tap the section title to show the fields.

Tap in a field to edit its contents. Fields can be text, signatures, dates, numbers, pick lists, checkboxes, URL, currency and images /photos.

Fields are Read Only, Optional or Required. If they are **Required** they have a red background. You must complete required fields.

## Map In the job

Tap the **More** icon to open a menu where you can select the Map for the Job.

Select from these options for different map views.

Tap the Job icon to open a menu that enables you to navigate to the job using the Maps App or to view the job in Street View.

The circle icon shows where you are on the map.
